

Chala Geta

Full Stack Developer

Addis Ababa, Ethiopia | chalageta21@gmail.com | GitHub: chalageta | LinkedIn: chala-geta

PROFESSIONAL SUMMARY

I am a Full Stack Developer with strong self-commitment and a continuous passion for learning new technologies. I have hands-on experience designing, developing, and delivering scalable web applications across both frontend and backend systems. I thrive in collaborative environments and enjoy turning complex requirements into efficient, maintainable software solutions.

TECHNICAL SKILLS

Frontend: React.js, Next.js, TypeScript, JavaScript, HTML5, CSS3, Tailwind CSS, Vite, React Router, Shadcn/UI

Backend: Spring Boot, Java, Node.js, Express.js, REST APIs, SOAP APIs, JWT, OAuth 2.0, OpenID Connect

Databases: PostgreSQL, MySQL, MariaDB, Oracle Database, Prisma, JPA / Hibernate

Integration: REST/SOAP Integration, OAuth/OIDC, Fayda/National ID integration, API Gateway, Middleware

DevOps & Tools: Git, GitHub, GitLab, Docker, Docker Compose, Linux, WSL, Maven

PROFESSIONAL EXPERIENCE

Frontend Developer | Ethiopian Disaster Risk Management Commission (EDRMC)

July 2026 - Present

- Working as a part-time frontend developer, contributing to the development and improvement of modern web applications.
- Developing responsive interfaces using React, Next.js, TypeScript, and Tailwind CSS.
- Translating UI/UX designs into reusable and maintainable frontend components.
- Integrating frontend applications with REST APIs and backend services.

Software Engineer | Ethiopian Customs Commission

Dec 2023 - Present

- Specialize in designing and developing scalable, secure, and high-performance web applications.
- Contributed to national digital transformation projects: ECC-Integrated Library System, Alumni System, and Ethiopian Single Window.
- Focus on backend development, API integration, and frontend implementation to ensure seamless data flow and efficiency.

Junior Software Developer | Ethiopian Customs Commission

Dec 2024 - Present

- Developed and maintained components of the Ethiopian Electronic Single Window (EESW) system.
- Participated in testing, debugging, and deploying software modules.

Internship Practitioner | DAN Energy R&D

Aug 2022 - Aug 2023

- Full-time internship focused on software development and applied learning.

FEATURED PROJECTS

eSWS — EAA Phytosanitary Integration

Spring Boot, MyBatis, JSP, Oracle

International system integration supporting phytosanitary-related workflows between the Ethiopian Single Window environment and external systems via API communication.

Import Permit Application

Spring Boot, MyBatis, Oracle

Digital application workflow developed for the Ministry of Transport and Logistics to support import permit processing, authentication, and form workflows.

EFDA Application & National ID Integration

Spring Boot, OAuth 2.0, OIDC, PKCE

Integrated National ID identity verification capabilities into government service workflows to improve secure digital identification and application processing.

Integrated Library Management System

Next.js, Node.js, MySQL, Prisma, Tailwind CSS

A complete library management platform supporting catalog management, user registration, role-based access, and borrowing workflows.

Business & Healthcare Websites

Next.js, Tailwind CSS, Node.js

Developed responsive, modern business portals including Michu Specialty Dental Clinic, EM Pharmaceutical, and Health Medical Trading.

Arifget Elearning

Next.js, Tailwind CSS, Laravel, MySQL

An innovative e-learning platform designed to provide educational resources and interactive online learning experiences.

EDUCATION

Bachelor of Technology, Information Systems | Ambo University

Oct 2019 – Jul 2022

- Grade: 3.86

CERTIFICATIONS

- **Certificate of Recognition (IEICS - ePhyto Integration)** - Ethiopian Agricultural Authority (Oct 2025)
Awarded for dedicated and professional support in successfully integrating the Integrated Export and Import Certification System with the Ethiopian Single Window System.
- **Certificate of Appreciation (Integrated Library Management System)** - Ethiopian Customs Commission (Jun 2026)
Awarded for outstanding contribution to the development of the Ethiopian Customs Commission Integrated Library Management System.
- **Certificate of Recognition (Arifget E-Learning Platform)** - Arifget
Recognized for exceptional effort, skill, and innovation in developing the Arifget E-Learning Platform.
